

When hunger becomes a child's constant companion, who among us will be there? Who will step up?

WHO AMONG US

will be there, when another day dawns
and another hand reaches out for help?

**We are the hand-raisers, the game changers,
the stop talking, start doing, band together
and take on the impossible task masters.**

We work toward finding new solutions to old problems by mobilizing the best resources, and by inspiring individuals to join the fight against their community's most daunting social crises. So who are the hand raisers, the game changers? They are people who know that at the core of every human being is a desire to do good. People who recognize the power that comes from a shared purpose. People who understand they are always stronger together than they are alone. People like you. So raise your hand if you're ready to be that game changer. Because United we fight, United we win.

We have one life. To live better, we must LIVE UNITED.

**You're not just making a donation,
you're changing lives.**

Consider adding \$30 to your gift to sponsor a Fulton County child for one year in the Dolly Parton Imagination Library program. Enrolled Fulton County children receive a new book in the mail once a month until they turn 5.
